“The Diamond that Cuts Through Illusion”

— [Thich Nhat Hanh](#)

The Diamond Sutra

October 17 – 21, 2012

Five Days of Mindfulness Practice

with Dharmacharya Chan Huy and the Beginners Mind Sangha

Our dear friend, Brother Chan Huy has been leading our community in Retreats and Days of Mindfulness for over a decade. He brings us close to Thich Nhat Hanh as his family has followed Thay's teaching for 4 generations, grandmother to his own daughters. He has been around Thay since the age of five. He was born in France, raised in Vietnam until age 18 and then moved to Canada with his parents. He provides a strong bridge from Vietnamese to Western cultures. He is a happy husband, father and recently- retired engineer bringing us great depth of practical life experiences to his teachings
